

and do a better job at less cost to those tax payers in these districts. I move the bill be advanced to E & R Initial.

PRESIDENT: Senator Skarda.

SENATOR SKARDA: Mr. President, I object. This is a piece of legislation that I think the body should take a long, long hard look at. We are talking about SID's and we have had nothing but trouble with them. The county has got complete loss of control over these people. I think that it is something that we should prolong and let the body as a whole look at. I can't see putting two of them together and increasing the difficulties that we have now, the way they are presently in a single unit. I.....

PRESIDENT: One objection it is a laid over. That is all that is too it, we won't discuss it.

SENATOR : Mr. Clerk, I believe that there was an amendment that should have been on here that has been on your desk for a couple of days, is that.....

CLERK: On which bill?

SENATOR DICKINSON: 757. Offerred by Senator Cavanaugh. If there is an objection, we will pass over the bill.

PRESIDENT: Next bill 718.

CLERK: Read 718

PRESIDENT: Senator Syas.

SENATOR SYAS: I move the bill be advanced. Now, state law prevents state agencies from buying rail road abandoned property without the approval of the legislature and this will take care of the situation in the fact that the legislature may not be in session and therefore the state agency couldn't buy it and the railroad wouldn't hold it forever, they may just go ahead and sell it for the state highway department. Some other agency might be interested in its purchase. I ask for unanimous consent.

PRESIDENT: Senator Kelly.

SENATOR KELLY: Mr. President, I am aware that Senator Maresh would object to this and I would object in his stead.

PRESIDENT: Pass over the bill, next bill is 754.

CLERK: Read LB754

SENATOR CARPENTER: I move that 754 be passed over.

PRESIDENT: Next bill 815.

CLERK: Mr. President, Senator DeCamp has a lengthy amendment on it and I'm not sure that he is present.

SENATOR CARPENTER: Mr. President, I checked with Senator Goodrich and Senator DeCamp, they are in agreement with the amendment of Senator Goodrich's bill and they have no objection to take it up, unless somebody else might have an objection.
